# Army G4 Digital Publications Management System

## Background

Centralize management of Army G4 publications and improve the management efforts using an automated document management system with the documents on the Internet.

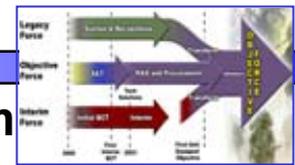

- **200 Publications** 
- **Administered by 20+ agencies** 
- **Review/revision --- 20++ Months** 

# Army G4 Digital Publications Management System

## Then and Now

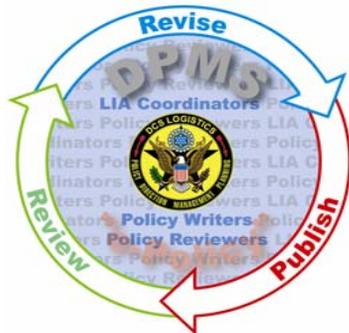

### Then:

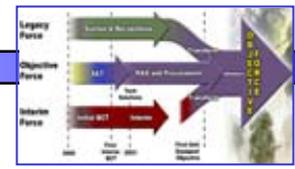

- Paper Regs ...Paper Feedback... Paper Forms
- What are the Army G4 Regs???
- Who are Policy Players???

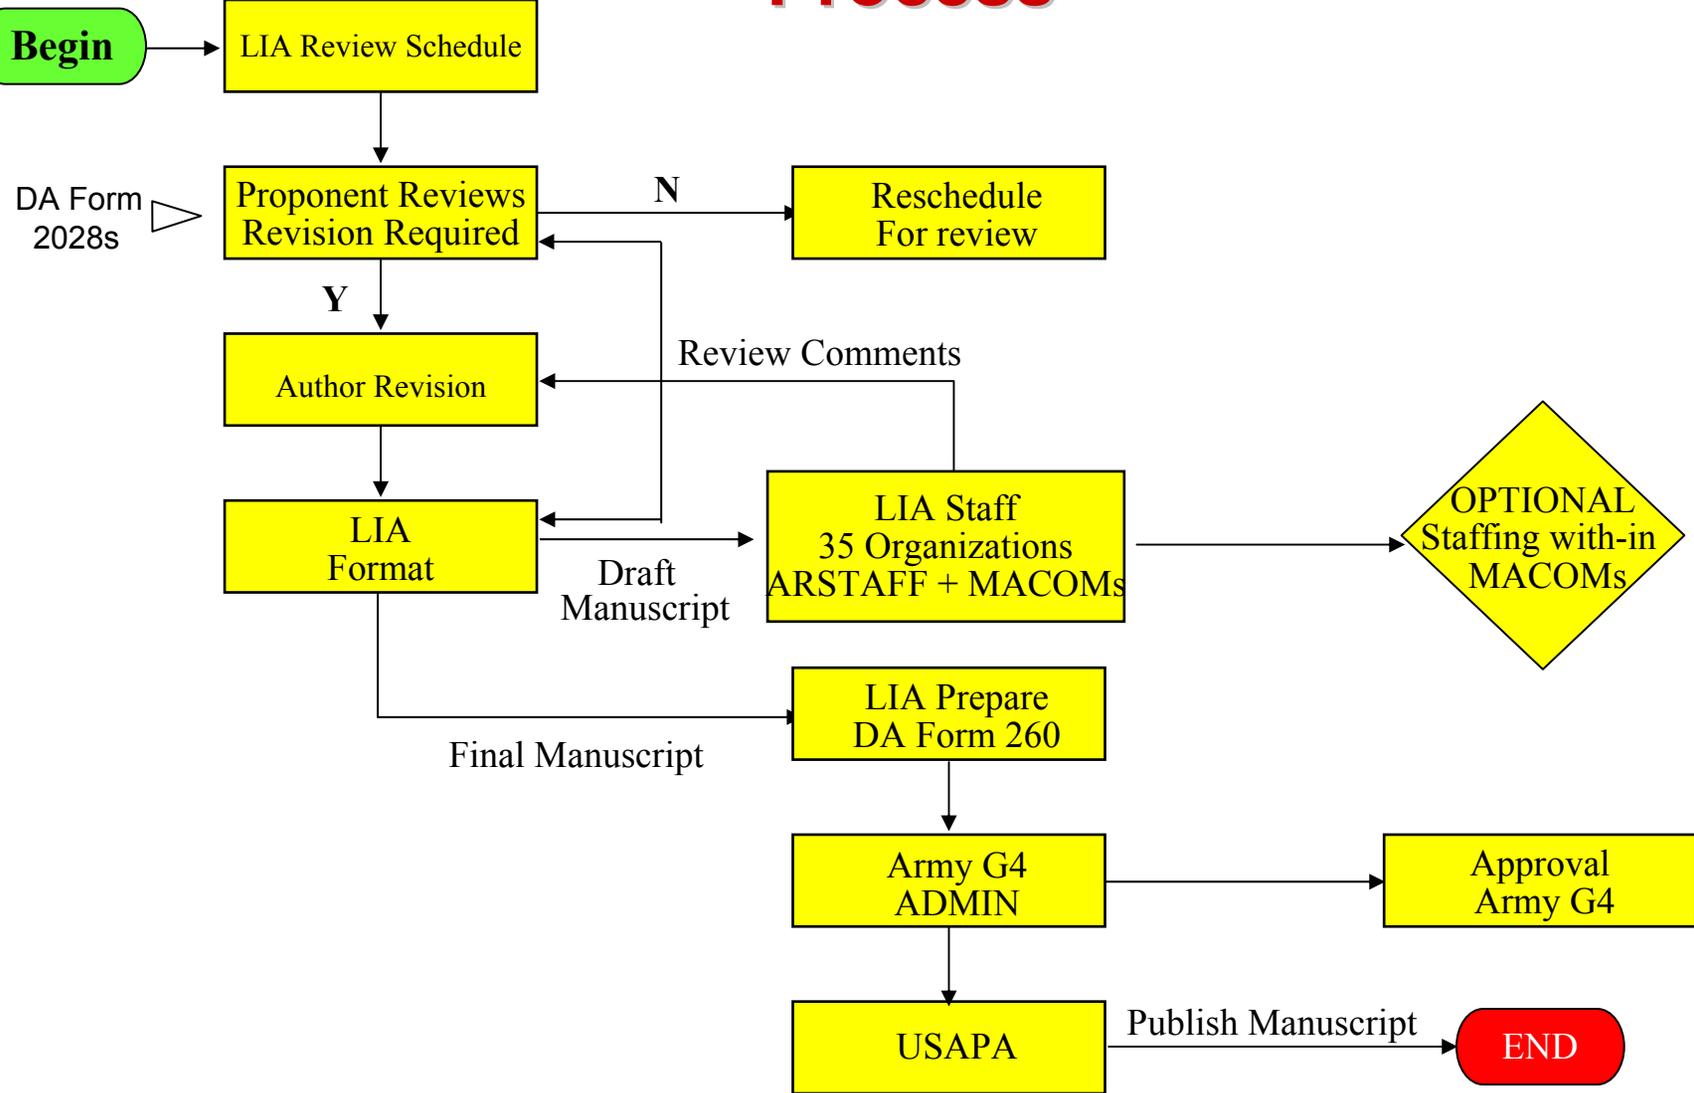

### And Now:

- Internet Access to Logistics Policy
- Synchronized Forms Database
- Electronic DA Form 2028 Submission Capability and Database
- Internet Management Tools & Reports
- 3-Year Regulation Review Schedule

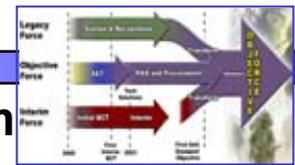

# Regulation Flow Process

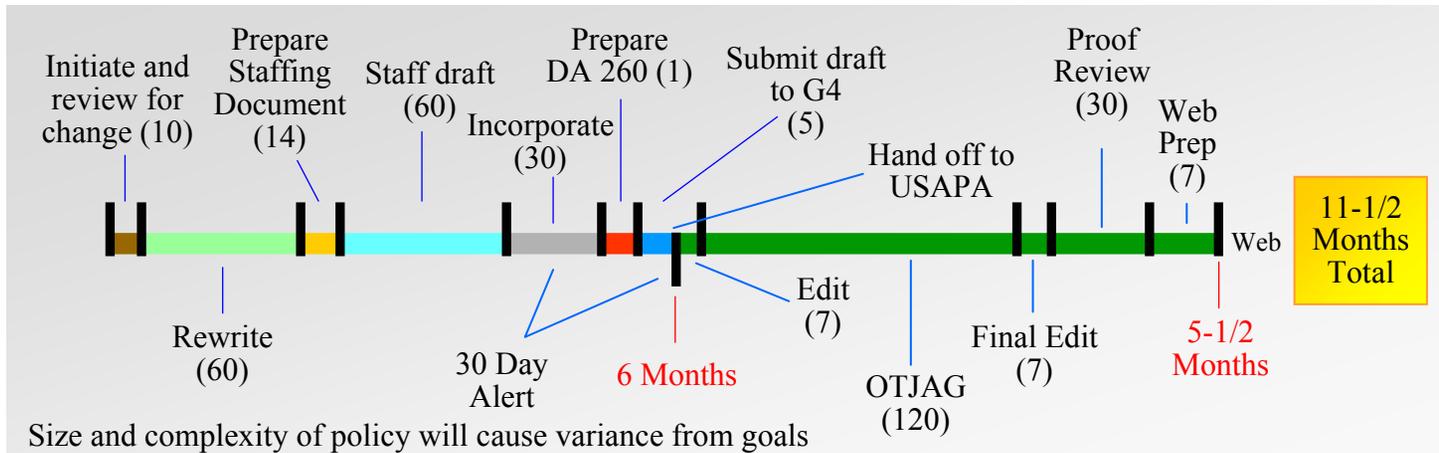

# Army G4 Digital Publications Management System

## Goal

### Legend:

USAPA = U.S. Army Publishing Agency

OTJAG = Office of the Judge Advocate General

( ) = Goal

**New Portal**

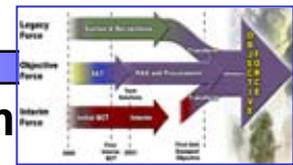

- To find out “what’s happening” with logistics policy, a user will click to the new DPMS portal.
- Our goal is to provide “a place to start looking” when you are searching for information but not sure “where to go” or “who to talk to.”

**Sustaining The Transforming Army**

# Army G4 Digital Publications Management System

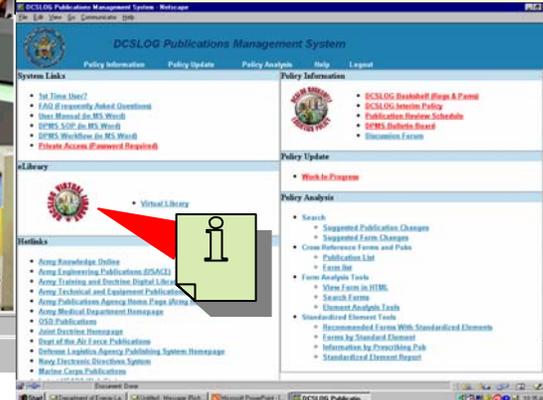

## DCSLOG Virtual Library Feature

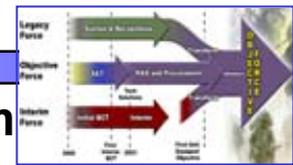

**Virtual Library**

The DCSLOG Virtual Library is an enhanced graphical interface for users seeking policy information. Several DPMS features can be accessed through the virtual library. Try it by slowly running your mouse over the web page. Active hyperlinks will be identified as you "land" on the images...
