# Directions to download and run the Property Accountability Virtual Playbook (PAVPB):
Don't Lose Your Crap!

Click the following link to play PAVPB Trailer: **https://youtu.be/ytKD-c29i3k**

Click the following link to initiate the download: **http://www.cascom.army.mil/pavpb/pavpb.zip**

The following options will display:

Select "Save as" and choose "Desktop" as the location where you would like to save the PAVPB.zip folder.

Once the download is complete, close the current window and find the PAVPB.zip folder on the Desktop.

Windows 10: Once you have located the PAVPB.zip folder, double-click the .zip folder and select "Extract" then "Extract All"; select "Desktop" as the destination to extract the files. *Note:* Ensure the "show extracted files when complete" tab is engaged with a check mark (it should be by default):

Windows 7: Once you have located the PAVPB.zip folder, right-click on the icon and select "open with --> Windows Explorer":

Windows 7: Choose "Extract all" and again select "Desktop" as the destination to extract the files. Note: Ensure the "show extracted files when complete" tab is engaged with a check mark (it should be by default):

Both Windows 10 and 7: Once the download is complete, find the PAVPB folder and double-click to open. Right click on PAVPB.html and select "Open with Firefox". Note: Firefox browser MUST be utilized to open the PAVPB:
