

Veterinary Approved Sources

Sean Lonnecker
Chief Warrant Officer Four
Veterinary Corps
JCCoE Food Safety Officer

Basis for Requirement

- DOD Executive Agency Assignment
- Army Regulation 40-657
- Contractual Statements
- *Worldwide Directory of Sanitarily Approved Food Establishments for Armed Forces Procurement*
 - Public Health Command Circular 40-1

Requirement

- 42.246-9044 SANITARY CONDITIONS
 - “...except as indicated...products...will originate only in establishments listed in the US Army (Veterinary Command) Circular 40-1, *Worldwide Directory of Sanitarily Approved Food Establishments for Armed Forces Procurement...*”

“...except as indicated...”

- Listed for interstate shipment by USDA, USDC, FDA
- Some products are exempt
 - Listed in Appendix A, Section I to 40-1
 - Listed in Army Regulation 40-657

Examples of Exempt Products

- Hermetically sealed fruits/vegetables
- Plain Bakery Items
- Dry Batter, Cake Mix, etc
- Frozen Dinners w/out meat/poultry products
- Condiments
- Many, many exemptions

Operational Ration Components are never exempt.

Initial Audit Format

The screenshot shows a Windows Internet Explorer browser window displaying the website <http://www.troopsupport.dla.mil/subs/>. The page header includes the Defense Logistics Agency (DLA) logo and the text "DEFENSE LOGISTICS AGENCY Troop Support Subsistence". The navigation bar contains links for "Home", "Site Index", "Policy Statements", and "Contact Us", along with a search box. A left sidebar menu lists "About Us", "Our Leaders", "Information", "Small Business", "Tools", "Quick Links", "Customer Conference", and "DLA's 3 Areas of Focus". The "Quick Links" menu item is circled in red. The main content area features a "Subsistence" section with a description of the Subsistence Directorate's role and a list of links: "General Points of Contact", "Prime Vendor Survey", "Initial Audit Request Procedures", and "Web Comment Form". The "Initial Audit Request Procedures" link is also circled in red. A photo of soldiers at a market is displayed on the right side of the page. The footer includes a ribbon icon and the text "Updated 03/01/12".

Initial Audit Process

- Manufacturer request through KO
- Contracting Agency submits to PHC
- PHC assigns auditor/audit
- Pre-audit questionnaire
- Schedule/Conduct Audit
- Submit reports, listing in Directory

Typically a 30-90 day process

Veterinary Audits

- Military Standard 3006C
- Similar to most 3rd party audits
- No fees/charges/travel costs/etc.
- Comprehensive

...Small Example...

Fresh Seafood

Local Fishermen

Drawers

In-process trash can
