How Do We Get What We Want?

Design Charrette

- An efficient planning and brainstorming session that involves the entire team (designers, clients, consultants, etc.).
- Provides rapid problem resolution with Project Team.
- Trims months from the development phase.

Future Garrison Feeding Concepts

- A La Carte Feeding Concept.
- Grab & Go (cold and hot food) Destination Feeding Bar.
- Home Meal Replacement.
- Buffet Service (Weekend / Special Meals)
- Traditional Service
- Drive Thru

FACILITIES & EQUIPMENT DIVISION

Conclusion

- Army garrison facilities of the future are going to be first class.
- Army will have fewer facilities, but those retained must be high quality in order to compete for BAS patrons.
