## Section B - Personnel

1. Teams are made up of twelve (12) personnel including the Team Manager, the Team Captain, seven members, and three apprentices.
2. Team Managers can compete, however the total competing members may not exceed 8 competing members for IOY events.
3. Apprentices are only eligible to compete in the [Culinary Knowledge Exam](#) and [Student Skills](#) competition.
4. If space is available, then apprentices may complete in K or P categories as long as the K or P category is not for IOY.

Team Managers will ensure the correct rank and spelling of names on the entry form. If you are not sure of the spelling then ASK the team member for clarification. This is important when it comes to awards, medals, and the ceremony at the end of the competition. Every year we have competitors complaining that a name is not spelled correctly. This responsibility falls on Team Managers.

Please fill the below listed table and list all personnel that will be present at Fort Lee for the Culinary Show. Personnel will have the following position titles listed in the “Position on Team” text box:

Team Captain – 1 per team – May enter events.

Team Manager – 1 per team – May enter events

Team Members – May not exceed 8 (7 if Team Manager enters into any events).

Team Apprentice – No limit, but may only enter the Culinary Knowledge Bowl and Student Skills Competition. NOTE: Both of these categories are IOY. The Culinary Knowledge Bowl has four IOY entries identified, but all team members may take the exam if they elect to do so. The Team Manager will identify the four (4) team members whose score from the Culinary Knowledge Bowl will be included in the IOY team scoring.
