Thanks for what YOU contribute  
as a part of the Total Force !

LTC David K. Allen, Director  
Army Center of Excellence, Subsistence

A soldier in full combat gear, including a helmet, sunglasses, and a camouflage uniform, stands in a military camp. He is holding an M4-style rifle. The background shows a gravel area with concrete barriers and shipping containers. One container has the name 'dlloyd' on it. The soldier's name tag reads 'WISOR'.

***It's all about the Soldier!!!***
