Petroleum and Water Department

Dear Liquid Logisticians Community,

On behalf of the Petroleum and Water Department (PWD), I am pleased to invite you to this year's reunion of fuel, laboratory and water specialists. Since I assumed the directorship of the Department in 2003, the Army has embraced rapid and enormous transformation – and how we do business here at PWD reflects that. We have expanded and/or enhanced several of our training areas, added new life support facilities for our troops, and are currently constructing a state-of-the-art fire-fighting/suppression training facility. Additionally, we have attained new equipment and personnel assets while sustaining a modest student-training load.

It has been two years since our last Petroleum and Water Old Timers Reunion. Due to feedback from the previous reunions, the name of the reunion has changed to “The Liquid Logisticians Reunion (LLR).” So mark your calendar for 7- 8 September 2012 and come and rejoice with old friends and enjoy a day of celebrating the accomplishments we have ALL made toward making the Petroleum and Water Career Fields great War fighter assets. We have a lot to catch up on! We look forward to seeing you at this year's reunion and thank you for helping to keep our tradition and heritage alive.

The Liquid Logisticians Reunion fees are as follows: \$30 per adult (18 and older); \$20.00 per child (ages 12-17); and \$10.00 ages 11 and younger. These fees will cover the cost of all meals. Our point of contact is Mrs. Catherine Gadsden at (804) 734-2820 or DSN 687-2820, email catherine.gadsden.civ@mail.mil.
